

Anthem Blue Cross and Blue Shield HP Hot Tip: Topical Corticosteroid

Your Anthem patients on nonpreferred products may experience a pharmacy claim rejection. To avoid additional steps or delays at the pharmacy, consider prescribing preferred products whenever possible. Prior authorization and step therapy may apply to select preferred products. Coverage should be verified by reviewing the *Preferred Drug List (PDL)* on the Anthem provider website. The *PDL* is subject to change quarterly.

Preferred topical corticosteroids	Preferred topical corticosteroids
Low potency	Medium potency
<u>Cream</u> :	Cream:
